

Commercial grade fluor-elastomer sheet, for the most demanding applications. For applications requiring outstanding resistance to heat and/or chemical solutions.

Product Name	Commercial FKM Rubber
Brand	Flow CO.
Thickness	1/16", 1/8", 1/4"
Color	Black
Hardness	75+-5 Shore A
Tensile Strength	1305PSI
Density	1.99g/cm3
Elongation	200%
Surface	Smooth Finish
Working Temperature	-40 to 419 F
Compression Set (22h, 70 C)	<40%

*Rubber Rolls Come in 48" Wide x 50 FT Lengths. 1/4" Thick Comes in 25FT Rolls

*Material Contains a Cinnamon Scent to help distinguish Material

* Rolls Come Talc Free, with Liner & Cardboard Core
